

Bimose Tribal Council

Anishinaabemowin Camp

August 8-11, 2022
Minaki Yurt Adventures, Minaki, ON

Description:

We are pleased to announce our first Anishinaabemowin Camp. This camp is a pilot project, intended to bring together Anishinaabemowin Enthusiasts from the Bimose Tribal Council communities, who will make a commitment to assisting with the Anishinaabemowin revitalization efforts within their home communities. The ultimate goal is to provide tools and resources that will ensure the longevity of Anishinaabemowin by increasing the quality and quantity of proficient new speakers in our communities.

Before the camp begins, all participants will be provided with a study guide to review and practice before camp begins. Participants will also be provided with a recommended packing list based on assigned accommodations.

Participant Eligibility:

TWO participants, 18 years of age or older, from each of the Bimose Tribal Council Communities:

- **One** fluent speaker
- **One** language learner/enthusiast

Both participants will commit to assisting Anishinaabemowin learners within their own communities.

Accommodations:

Accommodation types will vary amongst participants. All participants will be lodged in Yurts or cabin/motel rooms in Minaki. The activities of the camp will take place outside under a tent, so please dress accordingly. The terrain surrounding the camp is uneven and will require participants to be able to move around unassisted. Please wear suitable shoes (sandals not recommended).

Cost:

The camp is free of charge to registered participants. Accommodations, Meals and travel will be provided by Bimose Tribal Council.

Please provide details of any dietary restrictions or allergies when registering.

Registration:

Please submit all registration forms to Ashlee Tom by email at atom@bimose.ca by July 22, 2022 by 12 NOON.
